

DARLEY CONSULTING

STEPHANIE CARSON
BSc(Hons) MBA MRCSLT
PG Cert Coaching Practice

Facilitating transformation

Portfolio

Stephanie Carson is an experienced leader and facilitator with a flair for enabling people to create connections and maximise opportunities. She works with individuals and teams across the public, private and third/voluntary sectors enabling them to shape the strategic vision, bring together national policy and local needs and translate these dimensions into practical delivery that makes a difference to customers.

The range of services Darley Consulting can offer include:

- Senior board level development – managing change through teams
- Middle manager development programmes - change and transition
- Facilitating and development of training materials and toolkits for specific areas of required training
- Effective team working – service transformation
- Coaching and mentoring for performance and success
- Leadership development
- Development and assessment centres
- Generic workshop facilitation
- Use of 360 degree feedback, Myers-Briggs and neuro-linguistic programming
- Developing organisational and team competency frameworks
